

Bude Primary Academy

Head of School – Mr James Pritchard

Friday 28th November 2025

Dear Parents,

Inclusion

It was a pleasure to welcome the Cognition and Learning Team from Cornwall Council this week, who began their visit by sharing valuable insights with the entire school community in an assembly. Following this whole-school introduction, the team spent focused time working collaboratively and individually with several of our pupils in their classrooms. A heartfelt well done to everyone involved for their readiness and respectful engagement with the team. This assembly helped to deepen our understanding of diverse learning styles and how we can best create an inclusive environment where every unique mind can flourish. This focus on Reflection and Curiosity is so important as it empowers our children with the knowledge to thrive academically and support one another. It takes effort from all of us—children, staff, and families—to support every child's learning journey, and we are grateful for the expertise shared, strengthening our partnership approach. Together, we are all working hard to maintain our positive environment where everyone can thrive.

Stars of the Week

This week's Stars of the Week have continued to set the tone perfectly — showing how Creativity, Reflection, Empathy, Independence, Resilience, and Curiosity can shine in every classroom. Each pupil has returned ready to learn, ready to support others, and ready to give their best. We are so proud of the positivity and focus they've brought to the week, reminding us all what it means to be Ready, Respectful, and Safe – Together.
