Dear Parents,

Working Together on Digital Safeguarding

We are all aware of the serious dangers children face online, and [recent national data showing a record high in online grooming offences is deeply alarming](#). The internet has undeniably opened a door into millions of homes, and it takes effort from all of us—children, staff, and families—to ensure our pupils are Ready, Respectful, Safe – Together in the digital world.

We have a clear policy reminding families that all social media platforms state a minimum age of 13 years. We urge all parents and carers to reflect on the inherent dangers these platforms carry for young children, including all children of primary school age, and support their development of Reflection and Resilience by managing their online exposure.

To support you, the Trust continues to promote our RULE initiative (Restrict; Understand; Limit; Explain). This provides simple, practical actions to help improve the balance of digital technologies your children are exposed to. Furthermore, we encourage you to read our Aspire Online Safety News for the latest guidance and to use the materials maintained. Our commitment to online safety is a shared journey, and by working together using these resources, we can ensure a positive environment where everyone can thrive.

Stars of the Week

This week's Stars of the Week have continued to set the tone perfectly — showing how Creativity, Reflection, Empathy, Independence, Resilience, and Curiosity can shine in every classroom. Each pupil has returned ready to learn, ready to support others, and ready to give their best. We are so proud of the positivity and focus they've brought to the week, reminding us all what it means to be Ready, Respectful, and Safe – Together.

Free Digital Reading: Blackbird Pie Magazine!

As we head into the festive season, here is a handy tip that may be especially helpful over the Christmas break: Did you know that parents can access Blackbird Pie magazine for free digitally using their library card?

Why use BorrowBox?

- Convenience: If the printed copy of the magazine is lost or didn't make it home, you can quickly and easily read it on any personal device (phone, tablet, etc.).
- Free Resources: BorrowBox is completely free with a Cornwall Libraries membership. It offers instant access to *Blackbird Pie*, plus a wide range of children's eBooks, eAudiobooks, and eMagazines—perfect for inspiring activities during the long break!

Not a member? You can sign up for FREE online in minutes or pop into any Cornwall Library branch.

Community Safety Alert: Support the Holnicote Road Crossing Request!

We are asking all parents and carers to join a community campaign to secure a Zebra Crossing on Holnicote Road. This is a safety issue for our children and families, especially as we have been informed that the previous crossing patrol will not be replaced. We need a safe crossing point on Holnicote Road, as currently, this area has no official crossing.

Our Town Councillor, Pete Labroy, is aware of the need for this crossing but requires more pressure from the community to get things moving faster. The more emails he receives, the more likely the project will happen quickly! Please take just a few minutes to send an email today! Councillor's Email: cllr.peter.labroy@cornwall.gov.uk

To make this easier for busy parents, you may use or adapt the following draft:

Subject: Urgent Need for a Crossing on Holnicote Road

Dear Pete Labroy,

I am writing to ask when a crossing will be put in place on Holnicote Road. It is desperately needed to keep the children and families of our town safe.

Please help to look after our children and families. I would appreciate it if you could keep me informed of the progress with this project.

Kind Regards, [Your Name]
