Dear Parents,

## Health, Wellbeing, and Partnership

As we approach the final week before Christmas, we want to again acknowledge that a flu-like illness, presenting with symptoms such as coughing, fever, and sickness, is circulating among both our pupils and staff. It takes effort from all of us to manage this effectively, particularly when everyone is feeling understandably tired from a long term of hard work and we are all feeling a little stretched.

The safety and wellbeing of our children is always our priority. We require your continued partnership to ensure we operate as effectively as possible.

To ensure a safe environment for all, our guidance remains clear: children with flu-like symptoms must remain at home until they are fully recovered. Crucially, in the event of vomiting or diarrhoea, children must stay away from school until 48 hours after the symptoms have completely stopped, ensuring they are ready to return to learning. Well done to everyone for your ongoing cooperation and support and thank you for helping us maintain a positive environment where we can all thrive.

## Stars of the Week

This week's Stars of the Week have continued to set the tone perfectly — showing how Creativity, Reflection, Empathy, Independence, Resilience, and Curiosity can shine in every classroom. Each pupil has returned ready to learn, ready to support others, and ready to give their best. We are so proud of the positivity and focus they've brought to the week, reminding us all what it means to be Ready, Respectful, and Safe – Together.
