Dear Parents and Carers,

## Attendance

We are delighted to share that we have seen a small yet significant improvement in our attendance figures over the course of the term. We recognise that this is down to the hard work of our whole community, and we are incredibly grateful for your commitment to ensuring our children are in school every day. Most importantly, high attendance has a profound impact on a child's self-esteem and emotional wellbeing, which inevitably provides the foundation for successful learning. When children are present, they feel more connected, confident, and settled, giving them more chances to flourish.

It has been really lovely this week to share out certificates for those children who achieved 98% and a remarkable 100% throughout the Spring Term. Great job everyone! Seeing the children's pride in their achievements serves as a wonderful reminder of how we succeed when we are 'Ready, Respectful, Safe – Together'.

## Quad kids

Our Bude Juniors Quad Kids superstars led the way this week, demonstrating incredible grit and gusto as they competed against other schools in our area. Every pupil participated in four events including running, throwing, and jumping, showing fantastic resilience and team spirit. We are very happy to announce that our Year 3/4 team successfully qualified for the regional event. A heartfelt well done to everyone involved for representing our school values so brilliantly on the field!

## Stars of the Week

A smashing well done to our first Star Learners of the summer term. These pupils demonstrate how the Six Learning Attributes—Creativity, Reflection, Empathy, Independence, Resilience, and Curiosity—allow us to flourish in the classroom. Our Stars of the Week set a wonderful standard for us all, reminding our community that we achieve our best when we remain Ready, Respectful, and Safe – Together. Their settled and purposeful approach is a brilliant example of our values in practice, and we are enormously proud of the grit and enthusiasm shown by every child as they strive to be the very best versions of themselves.
