Dear Parents and Carers,

Looking forward to 26.27 - Class Structure

As we move through this busy term, our thoughts are naturally turning toward the future. We are working hard to ensure that we manage the upcoming transitions for all our year groups. Following careful reflection, we are able to maintain our current class structure across the school for the next academic year. This decision is not without its challenges and adaptations, particularly given the current context financial constraints and a drop in the numbers of the school roll. However, we believe it is essential to prioritise sustainability and stability. We will share more details of class structure once they have been finalised.

Moreover, we are absolutely delighted to announce that we have secured the appointments of Mr Baker-Hale and Mrs Hastings for the 2026/27 year. We offer them our enormous congratulations; their expertise will continue be invaluable as we continue to work 'Ready, Respectful, Safe – Together'.

Stars of this Week

A smashing well done to our first Star Learners of the summer term. These pupils demonstrate how the Six Learning Attributes—Creativity, Reflection, Empathy, Independence, Resilience, and Curiosity—allow us to flourish in the classroom. Our Stars of the Week set a wonderful standard for us all, reminding our community that we achieve our best when we remain Ready, Respectful, and Safe – Together. Their settled and purposeful approach is a brilliant example of our values in practice, and we are enormously proud of the grit and enthusiasm shown by every child as they strive to be the very best versions of themselves.
