

Friday 5th June 2026

Dear Parents and Carers,

Welcome to our final term of the academic year, a period that is already settled, purposeful, and full of energy. Together, we are embarking on an incredibly busy weeks filled with rich opportunities including vital year-group transitions, swimming visits to the sea pool, end-of-year assessments, eagerly anticipated residential school trips and end of year celebrations. A key highlight of this term will be our 'Healthy, Active Living Week', commencing the week beginning 15th June 2026, which will also incorporate our annual 'Sports Day' on Friday 19th June 2026. More details regarding the specific arrangements for these events will follow soon, and we look forward to celebrating these milestones as a community.

Prepared for Every Eventuality: 'Ready, Respectful, Safe – Together'

To ensure our pupils can fully enjoy these experiences and make the most of every day, we want to work together to ensure they are fully prepared for school. As we navigate this exciting schedule, we must also contend with our highly unpredictable and occasionally extreme weather. Please keep an eye on the weather so that your child is prepared for the conditions on the day, as much as is possible. Please ensure they come to school equipped for all eventualities, including sun hats, appropriate footwear, labelled drinks bottles, and waterproof coats when necessary – keeping us 'Ready, Respectful, Safe – Together', and ensuring every child is comfortable and ready to learn.

Staying Informed: Working Together to Plan Safely

We fully appreciate that the sheer volume of school notices during this action-packed term can sometimes feel a little overwhelming. With so many wonderful trips and enriching opportunities, we work hard to keep you informed every step of the way. To make sure these memorable experiences can go ahead smoothly, we kindly ask that you read all updates carefully and respond to any requests or consent forms as promptly as possible. These clear expectations and your swift replies are what allow us to plan and finalise arrangements safely and efficiently. Thank you.

Friday 5th June 2026

School Superzones Survey

We are working with Cornwall Council to deliver the School Superzones programme, which aims to improve pupil health, safety and wellbeing by promoting safer streets, cleaner air, and more active travel to school.

We are asking parents to complete this short survey to help us understand current travel patterns and any barriers to walking, wheeling or cycling. Your feedback will inform improvements around the school and support lasting behaviour change over the two-year pilot programme. [School Superzones | Let's Talk Cornwall](#)

Stars of the Week

A smashing well done to our first Star Learners of the Summer term. These pupils demonstrate how the Six Learning Attributes—Creativity, Reflection, Empathy, Independence, Resilience, and Curiosity—allow us to flourish in the classroom. Our Stars of the Week set a wonderful standard for us all, reminding our community that we achieve our best when we remain Ready, Respectful, and Safe – Together. Their settled and purposeful approach is a brilliant example of our values in practice, and we are enormously proud of the grit and enthusiasm shown by every child as they strive to be the very best versions of themselves.
