Dear Parents and Carers,

Record Breaking Temperatures

Thank you all for helping mitigate the challenging heat this week despite the many different challenges it has posed - we will certainly need to continue to adapt as our climate changes. However collectively we have managed to keep everyone as cool as possible and for the large part we have carried on as normal. A fabulous well done all!

Sports Day Togetherness

Last Friday saw a most marvellous end to our Healthy Active Living Week. There was a super turn out to see everyone participate, compete and enjoy all the sprint and long-distance races. Collectively, we felt that the event worked very well this year but are always looking to improve and welcome any feedback. Thank you to the teaching staff, PTA, parents and most of all our children for making and shaping another memorable milestone.

Stars of the Week

A smashing well done to our first Star Learners of the summer term. These pupils demonstrate how the Six Learning Attributes—Creativity, Reflection, Empathy, Independence, Resilience, and Curiosity—allow us to flourish in the classroom. Our Stars of the Week set a wonderful standard for us all, reminding our community that we achieve our best when we remain Ready, Respectful, and Safe – Together. Their settled and purposeful approach is a brilliant example of our values in practice, and we are enormously proud of the grit and enthusiasm shown by every child as they strive to be the very best versions of themselves.

Questionnaire request

At our school, your child's emotional well-being is just as important as their academic success. To help us ensure we are providing the best possible care, we would love to hear your thoughts on our school's mental health support and supervision.

This short questionnaire is completely anonymous, and your answers will be handled with the utmost sensitivity. The results will be reviewed by our Mental Health Support Team to help us evaluate our current wellbeing initiatives, plan future projects, and—most importantly—tailor our support to the real needs of our school community.

By taking a few moments to share your views, you are helping us better understand our students and continue promoting positive mental health for every single child. Thank you so much for your time and partnership!

Uniform Update: New PE T-Shirts and Expectations

We have an exciting update regarding our school PE kit. From now on, we have changed the style of our school PE T-shirts to a new, more athletic material. We feel this fabric is much more appropriate for sports, as it is breathable, durable, and designed to keep the children comfortable during their physical education sessions.

All of our school uniform, including the new athletic PE T-shirts, can be purchased via the following link:

As we look ahead, we also want to remind families of our day-to-day uniform requirements to ensure all children look smart and ready to learn. You can find a complete breakdown of what is expected by visiting our school website:

[Bude Primary Academy - Juniors - School Uniform](#)

Uniform Support: We want to ensure that every child has access to the correct uniform. If you are struggling with the cost of purchasing uniform items, please speak to Emma Thomas in confidence. We have a fantastic stock of quality secondhand uniform available for parents to use.

Thank you for your continued support in maintaining high standards of dress at our school.
