Dear Parents and Carers,

Welcome back

A fabulous Ready, Respectful, Safe and Together welcome back to everyone to the start of a new academic year. The school is already feeling positive, purposeful and productive. Building on our successes from last year, we have refined many of our systems and routines which are now gathering momentum. Well done to everyone - staff, parents and of course our children for making it all start so splendidly.

Timeline

One of our most notable summer improvements was the highly anticipated History Timeline, which now runs throughout our hall. The timeline will serve as a lasting legacy for every one of our children, providing a tangible and vivid representation of history that brings the past to life and inspires curiosity for years to come. A huge thank you to everyone involved.

Staffing

Through our value of '**Being Together**', we believe that every member of the Bude Juniors community, past, present and future, shares a lasting sense of belonging. We would like to extend our sincere thanks and wish a fond farewell to Rebecca, Gary, Tilly and Leia. We wish them every success and happiness in the future and thank them for the role they have played in shaping our school and our community.

Stars of the Week

Enormous congratulations to our very first Stars of the Week, who have already shown how Creativity, Reflection, Empathy, Independence, Resilience, and Curiosity can shine in our classrooms. We are so proud of the way these children have started their learning journey this year, they're setting a shining example for us all.

Free School Meals (FSM)

You may recently have received notification that your child is now entitled to **Free School Meals (FSM)** following changes to the eligibility criteria.

If you have been notified that your child is eligible, it is important that you **complete a Free School Meals application form.** Completing the application ensures that the school receives the additional government funding available to support your child's education.
