Home Learning

We are so pleased with the progress the children continue to make with our explorer reading challenge. Many children have already got several countries – and don't forget, **the more countries you get, the better your chances of winning a prize!** Please continue to read with your child daily and let us know how they are getting on in their reading journal. Use the questions in the book, to help with comprehension – a key skill for reading!

Spellings will be set on a Monday to be tested the following Monday. Your child will be grouped into one of three groups for these. There may be maths homework at times to help consolidate learning that has happened at school.
