Eden Project trip

Year 5 had a fabulous time exploring the Eden Project on Wednesday. They learnt lots of facts in our crazy chef workshop & even had some yummy banana cake to eat after too.

Story Writing Competition winners!

Our recent whole-school story writing competition was a great success. Every child in the school wrote their own story about a pair of siblings who discover they can fly and race each other around the world. Each child could choose where they wanted the story to take them, which countries to research, and what would happen to the characters. We had some awesome entries - well done everyone! Pictured here are the winners for each class chosen for the excitement of their story, the level of geography knowledge in the story, and the accuracy of their sentences and presentation. Special congratulations to those children chosen by author Anna Chorlton as our overall winners! You know who you are 😊

Amy Garnett

We are very sorry to be saying goodbye and good luck to Amy who is moving on from Bude Juniors. She will be very much missed by us all.

Sandymouth's class assembly

Was a demonstration of the human digestive system. It was messy but the parents seemed to enjoy it! The children then sang Cauliflowers Fluffy beautifully. Well done Sandymouth Class.

Reminder: Relationships and Sex Education

As a school community, we are committed to working in partnership with parents and carers. We would like to invite you to attend an information meeting about our upcoming relationships and sex education lessons on **Wednesday 25th May at 9.15am.** In the meeting, you will find out more about what your child will learn, view a selection of the resources being used in lessons and discover how you can best support your child to discuss these topics at home. If you cannot attend the information meeting and you have questions about what will be covered do speak with your child's class teacher.

Lateness

Reminder, we are still having several children who are arriving to school late. Please ensure your child arrives at school on time. School starts at 8.50am, the gates are open from 8.40am. Many of our supportive interventions begin first thing and some pupils are regularly missing out. We are monitoring all the late children.

Absences

If you are taking your child out of school, please complete an exceptional circumstance leave request form. You can get one from the office or print one from the website.

Reminder, if your child is absent from school, please let the office know before 9am. You can leave an answerphone message, send an email to juniorsecretary@budeprimary.org or telephone the office.

Please give full details to why your child is absent, "not well" or "not feeling well" or "not in" is not a reason that we can use on our registers.

For example, is it a sickness bug, tummy upset, severe cold/flu, bad tooth ache or covid symptoms? The office will have to contact you if this is not clear.

If they are feeling a little under the weather, please send them in and let us know so we can keep an eye on them.

Please try and make medical appointments for your child outside of school hours.

On the school playing field 5pm – 6pm each Thursday.
First session is free then £2 after. This will not be on in half term.

Healthy lunches

We are really keen to encourage healthy lunches for all our children; government advice suggests using the "Eatwell" plate below as a guide to provide a healthy, balanced diet to support your child's health and development.

We have noticed recently, more and more children are being given very high sugar, high fat food items in the lunch box- we will be monitoring this and might contact you to offer support to make some changes.

It is recommended that children between 5 and 10 years old should have no more than 20-25 grams per day. To put this into context a kit kat contains 21grams of sugar. There are some great ideas if you follow this link: Lunchbox ideas and recipes – Healthier Families - NHS (www.nhs.uk) and if you need any support or advice, please contact Emma on 07772296182 Or emma.thomas@budeprimary.org. If you feel your child has genuine difficulties with their diet, there are services out there who can help.
