### Home Learning

We are so pleased with the progress the children continue to make with reading. Please continue to harness this by reading with / to your child on a daily basis and let us know how they are getting on by making a note in their reading diary. It is expected that children read out loud every day. This is essential as it develops their accuracy and confidence in reading aloud. It is also a fabulous chance to question them on what they have read – a key skill for reading!

Maths and reading tasks will continue to be set on a Friday with homework due in on the following Friday. It will be set on Google Classroom. Please let us know if you need paper copies.
