We will be running a Year 6 SATs week breakfast club. The children will be able to come into school at 8.30am and have some breakfast and a drink, if they would like to. The club is completely free and is optional. Please note the school's own breakfast club will still be running. All children not going to the club must be in school by 8.50am at the latest please.

Obviously 'Summer 1' isn't all about the SATs assessments. We have an activity day planned and, of course, our daily time-tabled lessons which we would like to share with you.

Bude Adventure (previously called Adventure International)

Year 6 will be visiting Bude Adventure (opposite Boots) for an amazing day of challenges. The children will take part in two incredible activities: High Ropes and Climbing. More details will come nearer the time. The day is free to all children (they will just need a packed lunch).

Reading

Thank you for continuing to read with your child at home. The expectation for this is four times a week, which we know can sometimes be difficult. For the more able readers, we encourage independent reading, and ask that an adult questions their child on what they have read before signing the reading record. If reading at home is a problem for any reason, then please speak to the class teacher.
