Friday 29th April 2022

Dear Parents/Carers,

We are in the process of reorganising some of our lunch time provision so that all pupils have the opportunity to be involved in more active play. Research shows that being involved in sports as a young person creates good habits. By participating in sport, children will have a higher chance of fulfilling potential and maximising opportunities in life. Sadly, research shows 43% of teenage girls fall out of love with sport. It is important that we promote physical activity from a young age.

Today, we have collated some pupil voice and take action to overcome any issues that the children have raised.

Road closure

You may be aware there is a road closure at Stratton Road from 3rd May for two weeks. This will cause traffic disruption. Please ensure you leave in good time to arrive at school.

Absences

If your child is absent from school, please let the office know before 9am. You can leave an answerphone message, send an email to juniorsecretary@budeprimary.org or telephone the office.

Please give full details to why your child is absent, "not well" or "not feeling well" or "not in" is not a reason that we can use on our registers.

For example, is it a sickness bug, tummy upset, severe cold/flu, bad tooth ache or covid symptoms? The office will have to contact you if this is not clear.

If they are feeling a little under the weather, please send them in and let us know so we can keep an eye on them.

Please try and make medical appointments for your child outside of school hours.

Attendance

The whole school attendance for this week is 96.1%.

The class attendance winner for this week is Sandymouth with 99%.

Most improved class attendance this week is Crooklets.

Healthy snacks in school

Reminder, snacks that children bring into school to have at break time need to be either fruit, cereal bar (with no nuts) or breadsticks. **Please no chocolate or crisps.**

RNLI visit

This week, we had some very special guests who came to visit our children. Lifeguards from RNLI shared lots of tips on how best to stay safe at the beach and whilst in the water. The children were really engaged and asked some great questions. Many children shared a good understanding of the flags and ways to stay safe, well done Bude Juniors! We have encouraged all children to be safety ambassadors down at the beach ensuring they share these safety messages with friends and family too.

If you would like any further information, do check out the RNLI website: <https://rnli.org>
