PTA update

Great news! Our first ice lolly sale was a huge success, we raised almost £110! We are organising a donation of £55 to the RNLI Mayday appeal. Following feedback from parents, our next ice lolly sale will raise money for the Cornwall Air Ambulance charity.

After half term, we are going to hold an ice lolly sale every other Friday – 10th June 24th June, 8th July and 22nd July. If you can help at one of our events, please email bpapta@budeprimary.org - any help would be greatly appreciated! We hope the children enjoy the tasty frozen treats.

Lateness

Reminder, we are still having several children who are arriving to school late. Please ensure your child arrives at school on time. School starts at 8.50am, the gates are open from 8.40am. Many of our supportive interventions begin first thing and some pupils are regularly missing out. We are monitoring all the late children.

Absences

If you are taking your child out of school, please complete an exceptional circumstance leave request form. You can get one from the office or print one from the website.

Reminder, if your child is absent from school, please let the office know before 9am. You can leave an answerphone message, send an email to juniorsecretary@budeprimary.org or telephone the office.

Please give full details to why your child is absent, "not well" or "not feeling well" or "not in" is not a reason that we can use on our registers.

For example, is it a sickness bug, tummy upset, severe cold/flu, bad tooth ache or covid symptoms? The office will have to contact you if this is not clear.

If they are feeling a little under the weather, please send them in and let us know so we can keep an eye on them.

Please try and make medical appointments for your child outside of school hours.

ParentPay debts

Please clear any dinner money, breakfast club and after school club debts over half term on ParentPay. Any debt you have on ParentPay needs to be cleared. Thank you.

PSHE and RSE update

Thank you to the parents / carers that attended our RSE information meeting on Wednesday, we hope you found it useful. It was great to get some feedback about our PSHE and RSE curriculum offer. Following the feedback, we thought it would be useful for parents / carers to know which LGBT+ stories are being shared with your children so you can support with this at home too.

After half term the following texts and themes will be explored by each class, in future we plan to let parents / carers know at least the weekend before through our newsletter. If you do have any questions relating to the story or the themes due to be covered, please speak to your child's class teacher to discuss this further. Thank you for your continued support.

Crooklets – **Julian is a Mermaid** – A book that challenges gender stereotypes and encourages children to be themselves and highlights how it is important to be accepted for who you are.

Millook – **10,000 Dresses** – A modern fairy-tale about believing in your dreams, being accepted and how great it feels to be supported and encouraged.

Summerleaze – **Josh and Jaz have Three Mums** – A story about a family with same-sex parents and how the two sons are accepted at school. It also touches on the diversity of other family arrangements as well including stepsisters and half-brothers.

Duckpool – **Red A crayon's story** – A story about a crayon who thinks he is red, but his pictures keep coming out blue. It explores people's expectations of how we should behave and how to help people be themselves.

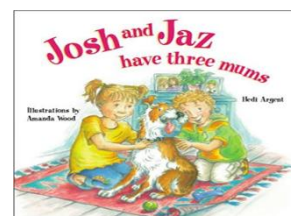

Sandymouth – **Are you a boy or a girl?** – This book challenges gender stereotypes and bullying.

Crackington – **Llama Glamarama** – A story about a Llama who thinks he must keep his dancing secret but when he tells his friends, he discovers they all have secret differences too. This story explores being yourself and being accepted.

Northcott – **Pink is for Boys** - This very simple story explores what colours represent and, through this, gender stereotypes and diversity.

Wanson – **This Day in June** – This vibrant book explains what Pride is and what the LGBT+ community includes. It also includes detailed information of what the groups are and what information to share with different age groups.

Widemouth – **I am Jazz** – This book sensitively explores what it feels like to be a transgender child trying to identify who they are and how they can be supported.

Poppy – **King & King** – This book explores same-sex relationships through a light-hearted story focussing on acceptance where everyone lives happily ever after.

Message from Emma Thomas

Thank you to those parents who have continued to support our drive to reduce lateness to school in the mornings.

After half term we will be meeting with parents and those children who are arriving late to understand reasons for lateness and to look at how we as a school can offer support.

We are really keen for all children to receive as many learning opportunities as possible, to ensure they achieve their full potential. Many of our supportive interventions begin at the start of the school day and some pupils are regularly missing out.

Hygiene Bank/uniform (All Free and absolute discretion)

Our parents' hub contains lots of good quality, used school uniform and some shoes for all parents to make use of- donations are also greatly appreciated if in good condition (No white polo shirts).

We also have the Hygiene bank which is also for everyone in our school community to make use of, offering various sanitary products, body washes, soap etc. If anyone is in desperate need of a Hygiene item we do not have in stock, then I can request it from our local representative.

In addition to this, if any families are struggling with the cost of living and in need of help or support, we are here to help, there are organisations and help locally who might be able to assist- a problem shared is a problem halved
