

Bude Primary Academy

Head of School – Mrs Sarah Robinson

Wednesday 13th January 2021

Hello all,

Thank you for all the positive feedback we have received. It really does support the teachers and support staff when they know all their hard work is appreciated. We know home learning is incredibly challenging and you are all doing the best you can with the resources you have. You are doing a great job!

We are in the process of finding out how many laptops we will be allocated to support our families and then we will distribute them accordingly. I do have to ask you to bear with us once again while we go through this process and await delivery. It should be at some point next week. We are trying to ensure everyone can access the learning online as this is the best option to enable your child to make good progress. Teachers are available to help and support in the afternoons so please ask if you need anything at all.

Finally, I would like to say that I have personally been amazed by your generosity as a community and how much you have supported each other and us as a school. Due to your support, we have been able to keep the numbers of pupils in school to a minimum and thereby helping to keep everyone as safe as possible.

Keep up the good work – stay safe.
