Dear Parents/Carers,

During the Inset in July the staff team reviewed our curriculum offer. We have made some changes this year and you can find the new information on the website under statutory information. Under this tab is the curriculum overview and a National Curriculum coverage document. This will tell you what learning projects your child will cover throughout the year and any proposed visitors/trips/residentials. There will be more to follow from the class teachers on these and they are subject to change/review.

The 'School Curriculum' shows what we offer as a school above the National Curriculum requirements and how our provision enables our pupils to become confident, independent learners.

If you have any questions or ideas about the curriculum, please contact the office. I would like to hear from you.

Other news

Safety

Please can parents/carers not allow their children to play on the trim trail after school in case there is an accident. Also please be mindful that the staff car park does not have fencing all the way around. Children have been seen running through the car park or playing on the grass area. As this does pose a safety risk, can you please ensure your child is under close supervision.

Music lessons

Following on from last week's woodwind assembly we would like to offer woodwind lessons with Amanda Rice.

Please visit <http://cornwallmusicservicetrust.org/signup/> to sign up for lessons.

Cornwall Music Service Trust also offer tuition for other instruments including guitar, bass guitar, drums, and a whole host of other instruments.
